

Professional Society of Religious Educators

NEWSLETTER 2011

SUBSCRIPTIONS

The Professional Society was launched at the National RE Conference, *Gathering at the Well* in Durban in May 2008. At the same time the first issue of *The Well* appeared as part of the conference proceedings. Since then annual subscriptions have run from May to May, but this has proved confusing and difficult to manage.

From January 2011, therefore, subscriptions will run for a calendar year. New members signing up at any time of the year will be entitled to all the material distributed during that calendar year, namely three copies of *The Well* (Winter, Spring, Summer) and three issues of the newsletter *Reetsanang*. Notice of subscription renewal will be sent to members every January.

REGIONAL MEETINGS

As the membership of the society grows, it would be good for face-to-face meetings of members in the regions. You will receive an invitation to these meetings once they have been arranged through your local office.

FACEBOOK

Another way for society members to be in touch would be through Facebook and possibly other social media. Once I am familiar with Facebook I'll set up a group and initiate some discussions.
