

# leave your heart print

An initiative by

Catholic  
Board of  
Education

Thousands of children walk to school barefoot every day. It's your turn to come to school barefoot and make a donation towards under-resourced Catholic schools.

#Leaveyourprint

Every day, thousands of children in South Africa walk to school barefoot. Choose a day in **September/October** for children to come to school barefoot and to make a donation to support under-resourced schools in the Catholic network. The Catholic Board of Education (CBE) will use the donations to address some of the needs in the Catholic schools network.

### This is how it will work

- 1 Choose a day in **September/October** for children to come to school barefoot\*
- 2 Learners donate R5/R10\*\*
- 3 Learners receive a sticker\*\*\*
- 4 The school collects the funds.
- 5 The school transfers the money to the Catholic Board of Education.
- 6 The CBE will use the money to support the needs of Catholic schools and will report back on how the money is spent.
- 7 The campaign will take place every year during September/October.

Please Note:

\* Schools that are concerned about the health and safety of learners may prefer learners to wear sandals or slip slops to school instead of coming barefoot.

\*\* Schools may decide the amount learners donate (recommended amounts R5 or R10)

\*\*\* Learners unable to make a donation may still receive a sticker.

### Catholic Board of Education banking details:

Nedbank

Current account: 1165087553

Branch code: 198765

Branch: Eastern Gauteng

Reference: LYP + school EMIS number

(Include provincial prefix code for EMIS no. e.g. Gauteng 700.....)
