

## Right and Wrong

NAME .....

DATE .....

|                                                           |
|-----------------------------------------------------------|
| Something I learnt about our actions                      |
| Something I understood better about our words and actions |
| What I learned about social sin                           |
| What I didn't like in the lessons                         |
| Something in the lessons that made me think               |
| What I think about honesty now                            |
